## Please Answer the Following Questions on a Separate Paper

1. Do you have a map of an existing or planned garden? If so, please provide the garden layout.
2. Does the proposed garden site have an accessible/usable water source nearby?
3. How will this garden be used? (For example: butterfly garden, vegetable or herb garden, etc.)
4. How many people are involved with the garden on a yearly basis?
5. Who will be *using* this garden? How many people will it serve?
6. Who will be *maintaining* this garden? Do you have a work plan for volunteers?
7. Are there funds available for the installation and continuation of this garden project? Have you applied for a community garden grant or another form of funding? (i.e. Leon County Community Garden Grant)
8. How will the food from this garden be used? (For example: By individuals involved in the garden, for farmers markets, for community service, etc.)
9. Are there plans to use the food from this garden within the community? Within the neighborhood? For specific service projects?

## Gardens are Selected on the Basis of the Following Criteria:

- Plans are well-defined and include a workable timeline.
- The size of the garden is manageable for the number of committed volunteers for the project.
- A committed partnership of people is involved.
- The plan has a high potential for success.
- The garden will benefit the community with food security needs.
